- PRESS RELEASE - February 2000 -

New operation by 3E : Sale of KTT-WEBEXPERT to FI SYSTEM.

An agreement concerning the divestiture of the company **KTT-WEBEXPERT** to **FI SYSTEM** has been made in a letter of intent on December 8, 1999.

The definitive conclusion of this operation has been realized on January 31, 2000, with the 100% divestiture of KTT-WEBEXPERT to FI SYSTEM.

This operation enables FI SYSTEM to strengthen its Engineering Web France and Consultancy in Information Systems divisions.

It brings also to FI SYSTEM the PROGIWEB technology allowing the automatic generation of federative Internet sites already used by trade associations, federative organizations and big administrations.

Besides, this acquisition allows FI completing its location in different regions such as Strasbourg, Rennes and Toulouse.

This operation has been initiated, advised and closed by Mr. Eugene EISENBERGER of 3E, who was the sell-side advisor.

3E is a M&A boutique created in 1985. It is chaired by its founder, Eugene EISENBERGER, graduated from SUPELEC (Electronics Engineer) and HARVARD. He is also a lecturer at HEC ENTREPRENEURS graduate school of business. 3E operates under sell-side, buy-side and advisory assignments. 3E is specialized in the Information Technologies sectors (Data Processing, Telecom, Electronics, Internet), Media and Consultancy.

KTT WEBEXPERT is a service and consultancy company in High Technologies and Internet created in 1983. Its year 1999 turnover is € 9 millions and it employs 140 persons. It is chaired by Mr. Henry KAM (SUPELEC Engineer), its President and founder.

FI SYSTEM is a Web Agency created in 1992. It intervenes on the consultancy market, the artistic creation and the technical realization of Internet sites and Intranet for big companies and European dot.com. FI SYSTEM Group chaired by Mr. Thierry THEVENET, includes 550 co-workers in Europe (France, United Kingdom, Spain). Its proforma turnover for 1999 is € 27 millions (+149%).

FI SYSTEM is listed since October 1998 on the New Market of the Paris Stock Exchange.
